

Examples of Partial Identification of MTE

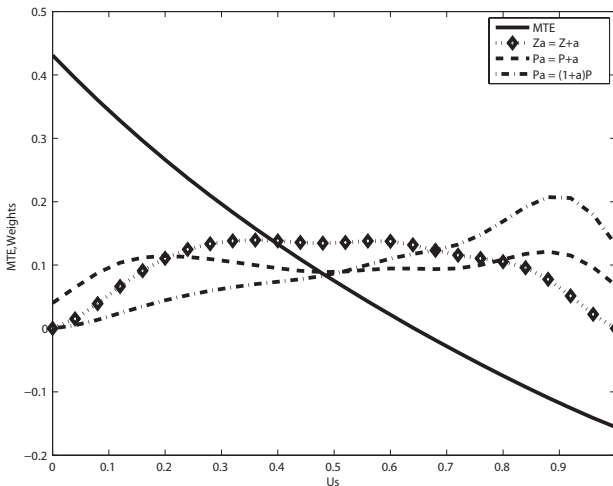

James J. Heckman

From: "Estimating Marginal Returns to Education"

By Pedro Carneiro, James J. Heckman and Edward Vytlacil
American Economic Review 101(6): 2754-2871 (2011)

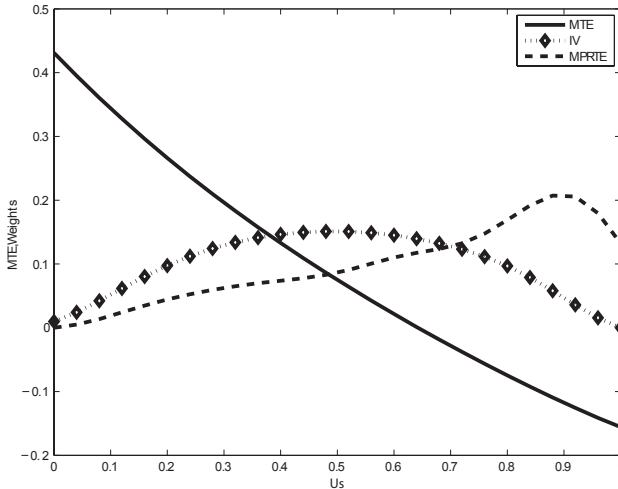

Econ 312, Spring 2021

Figure 1: Weights for Three Different Versions of the MP RTE

Notes: The scale of the y-axis is the scale of the MTE, not the scale of the weights, which are scaled to fit the picture.

Figure 2: Weights for IV and MP RTE

Notes: The scale of the y-axis is the scale of the MTE, not the scale of the weights, which are scaled to fit the picture.

Figure 3: Support of P for fixed X
